VBS Plus will be offered for those going into 6th and 7th grades: the youth would eat at the church before

going out into the community to do service and then return to the church.

Same dates as last year

Volunteers will be recruited soon

- Confirmation 2017-2018

Due to class size, the next 3 years Confirmation will be 8th grade only. Keeping the classes around 10 youth will allow for more individualized attention. Classroom size and finding mentors are also being considered. Diane will contact families as needed so they will be informed.

- Miscellaneous

Sunday School cookie fellowship went very well and will do again in the Fall.

Lisa Stagg had suggested we consider doing a service project with Sunday School classes on a Sunday morning or afternoon. Kellie will follow up and tell her our committee is open to the idea if she would want to organize this with a team.

No committee picture was taken as we were missing both John and Becky. We will be sure to grab one in the future—until then the picture Steve passed along will have to do! 😊 **Happy Healing, Becky!**
