Walnut Hills Preschool Staff

Our staff provides a joyful and creative environment for the children to discover and experience the amazing world God has given us! Each day we are interacting with and enjoying each child as they grow and develop in many wonderful ways.

All four teachers have early childhood or elementary education degrees. Mrs. Sue and Mrs. Ann have worked together for over 19 years. Mrs. Lisa and Mrs. Lisa V joined the teaching team over 16 years ago.

Our goal is to always stay current with new techniques, knowledge and creative ideas by participating in Early Childhood classes and trainings. This keeps the staff excited and prepared to provide experiences that meet the interests and needs of our 3-5 year old children each day!
